

## **Fundraising Lunch for Street Connection**

Street Connection hosted its annual luncheon at the Best Western Lamplighter Inn. Mayor Joe Fontana addressed the crowd and assisted with a live auction that raised funds for the centre. Street Connection is a drop in centre empowering London's at risk street youth by offering the opportunity to make positive changes in their lives.

The FinCore Solutions team is grateful for the dedicated work and services this local charity provides our communities most vulnerable citizens. Check out picture from the event with Mayor Joe Fontana, CEO Loredana Onesan Bowler and our newest team member Aidan Onesan Bowler.
