To whom it may concern:

First of all, I want to thank Mrs. Loredana Onesan - Bowler and her wonderful staff for an outstanding job. It has always been a pleasure working with Fincore Solutions knowledgeable staff.

I would like to thank you for assisting with our personal business in a very strategic planning initiative for 2010.

I am impressed in how efficient the service is, and I appreciate very much when Loredana, as a financial adviser, challenges the status quo and can guide us down new directions.

Mrs. Loredana Onesan - Bowler's passion for what she does is evident in every call, meetings and e-mail.

I also appreciate the impeccable follow-up, professionalism and advising skills.

I really feel like Fincore Solutions is one of the team and that makes all the difference.

What is unique about Fincore Solutions is the amazing way the staff interacts with the clients and what's more important is that the company is working hard to help clients to greatly improve their financial status.

From our experience with Fincore Solutions I will certainly recommend your service to anyone who needs financial advice.

Warmest regards,

Lia and Peter Grigoras
