

# We bought the building!

FinCore Solutions Inc. is pleased to announce the purchase of our office building at 782 Richmond Street. **The FinCore Building** will undergo renovations over the next several weeks but remains fully operational.

Business is thriving since our September launch celebration and we're tremendously grateful for all the support and well wishes. Our launch presentation video is posted to our website that introduces our team and services. You'll also find pictures from the Hunt Club celebration if you'd like to check them out at our website by clicking on the link located at the bottom of this email.

We hope you're enjoying this beautiful fall season and look forward to the next time we meet.

Kindest regards,

**The FinCore Solutions Team**

Loredana, Mark, Tarek, Jaclyn and Lisa
